

PSYCHOLOGY

it's more than you think!

Extended through December 31, 2006
at the National Inventors Hall of Fame®

Do we smile because we are happy...

Do we speak differently to baby girls than to baby boys? Discover the answers to these questions as well as many fascinating facts about the human brain, social interactions, child development and emotions.

...or are we happy because we smile?

Learn more about the science of psychology at this interactive exhibit featured at the National Inventors Hall of Fame extended through December 31, 2006.
