

## The University of Akron Department of Geology Thesis Library

Author	Year	Title
Abrajano, T.A., Jr.	1982	Petrogenesis of the McCartney Mountain stock southwest MN
Ahmad, T.A.	1991	Predictive model for groundwater interaction, surface water yield, and sediment yield to a Camp Mueller impoundment, Summit Co., OH
Allahiari, M.	1983	Morphometric analysis of the Mud Brook basin of northeastern Summit Co., OH
Alonso, M.	1985	Petrology of the metamorphic aureole around McCartney Mountain stock, southwestern MN
Andrews, W.E.	1990	The role of conductive and convective heat transfer in the coalification of the Harlem coal in OH
Angle, M.P.	1982	Quaternary stratigraphy of part of Richfield Twp, Summit Co., OH
Antonelli, L.J.	1997	Aqueous geochemistry of contaminated ground water at the Montville Landfill, Medina Co., OH
Armstrong, M.E.	1996	The development of a standardized checklist of geological and environmental aspects of real estate transactions (Senior Honors Project)
Auker, K.M.	1990	Systematic variation in brine composition of the northwest flank of the Appalachian basin
Bahr, T.J.	1985	Chemical evolution of ground waters within upper Pottsville aquifers, eastern Columbiana Co., OH
Bain, L.G.	1975	The nature, distribution, and origin of terraces in the Cuyahoga River Valley between Akron and Peninsula, OH
Barnett, R.G.	1983	Metamorphism of the Pittsburgh coal and its relationship to volatile matter
Baugues, C.M.	1993	Effects of grain size on radon emanation and migration
Baxter, J.B.	2000	Origin of chamosite ooids in the Pennsylvanian Madera Formation, Sangre De Cristo Mountains, CO
Beck, W.C.	1984	Joint analyses of the Casper Mountain/Emigrant gap anticline juncture, Natrona Co., WY
Begley, B.D.	1998	Identification of glacial lithosequences to assess potential leachate pathways from the Triangle Landfill, Inc., Buckskin Twp., Ross Co., OH
Beltz, J.	1992	Holocene salinity history of Oyster Pond, San Salvador Island, Bahamas
Benner, L.M.	2001	Analysis of fault-fold interaction of outcrop-scale structures of the Appalachian Orogen, TN and VA
Berendson, E.A.	1987	Deformational stress analyses of northern and central parts of Emigrant Gap anticline, Natrona Co., WY
Berkoski, A.P.	1998	Groundwater movement in the Singleton Ditch drainage basin near Lowell, Lake County, IN
Bernel, B.G.	1998	Coal cleat orientation in the Central Appalachian Plateau: Its relationship to paleo-stress and hydrogeology
Bertolo, S.E.	1996	Characteristics of the Al-La-Sc coherent triad in metamorphic and igneous systems
Beyke, R.J.	1986	Urea decomposition and environmental implications at an airport site, northeast OH
Bickley, J.A.	1976	Petrology and stratigraphy of the Upper Sewickley, Benwood and Arnoldsburg members of the middle Monongahela group (Pennsylvanian) in Morgan Co., OH
Billman, T.A.	1986	Interpretation and geochemical analysis of "Clinton" brines from northern Summit and Portage Cos., OH
Blauch, M.E.	1988	Dolomitization, diagenesis and paleoenvironments of a middle to upper Silurian shallowing upward sequence exposes near Peebles, OH

Bomback, R.L.	1986	The geology of the "Clinton" formation in parts of Portage, Trumbull, and Mahoning Cos., OH
Bonzo, K.M.	1985	Chemical and optical zoning in metamorphic garnets from the Black Hills, SD
Bowman, P.A.	1982	The post-pleistocene foraminifera of Little Lake, San Salvador, Bahamas
Bowyer, R.C.	1978	LANDSAT and airborne MSS reconnaissance of glacial drift-derived materials in northern Summit Co., OH
Brasaemle, J.E.	1978	Chemical character of the ground water in and adjacent to the Cuyahoga Valley National Recreation Area, OH
Bray, T.F., Jr.	1988	The sedimentology and stratigraphy of a transgressive barrier at Sheldon's Marsh State Nature Preserve, Erie Co., OH
Brayman, A.	2002	The sedimentology and paleohydrology of Ohio Caverns, Champaign County, OH
Breton, K.	1999	Hydrogeology and pollution potential of aquifers, Craig Beach, Milton Twp., Mahoning Co., OH
Brocculeri, T.	1988	The depositional environments and early diagenetic controls on the mineralogy of the Kittanning members, Allegheny group, eastern OH
Bruno, P.W.	1988	Lithofacies and depositional environments of the Ashtabula till, Lake and Ashtabula Cos., OH
Bruno, S.L.	1988	Diagenetic characteristics of the Vanport limestone interval (Pennsylvanian) of eastern OH and Lawrence Co., PA
Burke, J.C.	1985	A resistivity study of groundwater on Sandy Point, San Salvador Island
Caetta, M.A.	1991	An investigation of possible subsurface brine springs in southeastern Lenawee Co., MI
Carnes, L.H.	1980	Geology of the south half, Old Fields quadrangle, WV
Carney, C.A.	1979	A study of vertical leachate transport mechanisms using analogous two dimensional dispersion models
Castillo, P.R.	1983	Petrology of the precambrian granite and granite-related rocks of Casper Mtn, WY
Castro, C.E.	1994	An approach to the understanding of folding processes in basement-involved fault related folds
Cheek, W.M., Jr.	1980	Geology of the southern half of the Romney quadrangle, WV
Chen, C.C.	1995	Combined lactic acid fermentation and absorption (Chem Engineering)
Chen, C.C.	1982	A gravity survey of a portion of the Cuyahoga River valley, Summit Co., OH
Chowdhury, S.H.	1995	Hydrogeology and groundwater pollution potential of Chippewa Creek Basin, Wayne Co., OH
Clabaugh, C.D.	1987	Statistical identification of salinity sources in a shallow water-table aquifer
Clarke, B.G.	1983	Quantitative geomorphology of Furnace Run basin, Summit Co., OH
Clement, S.M.	1995	Chlorite geochemistry from the south-central Black Hills, SD, U.S.A.
Coburn, J.A.	1973	Depositional environments of the upper Caloosahatchee marl (pleistocene) based on the ostracod fauna
Cody-Longmire, P.K.	1997	The influence of fine-fraction carbonate content of Ohio tills on absorption of total chromium, copper, nickel, and zinc
Coffman, J.D.	1997	Detection of buried cow and mastodon bones using ground-penetrating radar
Colopietro, M.R.	1987	Compositional zoning of tourmalines: petrogenetic history and usefulness as a geothermometer, Black Hills, SD
Corwin, B.N.	1985	Paleoenvironmental history, using holocene ostracoda, Storr's Lake, San Salvador, Bahamas
Croasmun II, N.P.	1997	A fair-weather study of the nearshore processes, sand transport, and beach morphology landward of the Presque Isle peninsula breakwaters, Erie, PA
Croley, C.W.	1985	A high resolution gravity analysis using low altitude spacecraft tracking data
Cronin, M.S., Jr.	1994	Holocene salinity history of selected karst pits, eastern Granny Lake, San Salvador Island, Bahamas
Crotty, K.J.	1982	Paleoenvironmental interpretation of ostracod assemblages from Watling's Blue Hole, San Salvador Island, Bahamas
Dai, J.	1993	Groundwater characteristics and lead geochemistry, Sandy Creek, OH
Dakoski, A.M.	1986	Recent microbial mats, stromatolites, and related sediments of Granny Lake, San Salvador, Bahamas

Dalton, C.T.	2003	Geochemical characterization and petrologic implications of Grenville-aged tourmalines from the Adirondack lowlands, St. Lawrence Co., NY
Daly, P.J.	1983	Sorbent selection criteria for OH carbonates
Dannemiller, G.T.	1972	Water quality changes associated with fall overturn at Lake Lynn, WV
Das, S.	2002	Variation of chlorite chemistry in Proterozoic metamorphic rocks of the Black Hills, SD, USA
Daugstrup, E.	1992	Petrophysical analysis of the Upper Copper Ridge dolomite, Richland and Ashland Cos., OH
Davis, S.B.	1999	Aquifer development in folded and fractured limestone: The Scott Hollow drainage basin, Monroe Co., VA
DelMastro, G.A.	1987	Diagenesis and pore mineralogy of the "Clinton" formation in part of northeastern OH
Demmin, G.	1999	Lithosequence analysis of the Greenbrier Limestone in Frazier Quarry, Southeastern WV and the Newman Limestone at Pound Gap, East Central KY
Deppisch, V.	1993	"Clinton" brine and sampling point suitability for road application
Dicke-Burke, C.	1981	A detailed micropaleontological study and environmental interpretation of the microfauna of the Skelley member and lower Birmingham member (Pennsylvanian), Noble Co., OH
Dingman, B.D.	2001	Assessing Biodiversity Changes of a Salt Contaminated March, Mentor, OH
Dixon, J.M.	1976	Control of the Cuyahoga River drainage system In Summit Co., OH
Dominic, J.	1992	Basement-involved deformation of the southern Seminoe Mountains, WY
Donovan, K.	1983	Quaternary stratigraphy of the east side of the Cuyahoga valley between State Route 303 and State Route 82
Drops, M.T.	1996	Comparative geobarometry of amphibolites from five areas in the Black Hills, SD
Dudek, G.J.	1993	Depositional environment, diagenetic history, and source rock potential of the Middle Ordovician Wells Creek (Glenwood) Formation Ashtabula Co., OH
Eller, J.A.	1982	Petrology of the amphibolites on Casper Mountain, WY
Elliott, J.B.	1974	Seasonal variation in major element distribution within a flooded bituminous coal mine shaft, Belmont Co., OH
Enterline, D.S.	1991	Depositional environments of the Cambro-Ordovician Rose Run formation in N.E. OH and equivalent, Gatesburg Formation in N.W. PA
Eshler, L.M.	1988	Hydrogeological analysis of Sharon Twp., Medina Co., OH
Evaniak, C.A.	1992	Chemical Variation in metapelitic tourmalines and elemental partitioning between tourmaline-garnet and tourmaline-plagioclase pairs in the Black Hills, SD
Fabich, R.W.	1992	The development, implementation, and evaluation of a geology field studies program at the secondary level
Fantel, R.J.	1978	Geology of the north half of the Old Fields quadrangle, WV
Fashola, A.B.	1986	Stratigraphic and petrographic investigation of part of the Niger Delta, Nigeria
Fernandez, A.E.	1990	Analysis of fracture porosity and permeability in the lower Silurian "Clinton" sandstone, Summit and Wayne Cos., northeastern OH
Fernandez, R.	1983	Stratigraphy and clay mineralogy of Wisconsinan tills in the Cuyahoga Valley National Recreation Area, northeastern, OH
Finley, S. J.	1998	Facies and Environments of the Upper Sundance, Morrison, and Cloverly Formations, Seminoe Mountains, Wyoming
Florentino, E.	1985	Distribution, petrographic analysis and origin of the Granny Lake oolite, San Salvador, Bahamas
Foster, R.A.	1978	Geology of the north half of the Romney quadrangle, WV
Frankovits, N.D.	1977	A diatom succession of Alder Marsh, Portage Co., OH
Franks, B.J.	1973	Petrology and stratigraphy of the Putnam Hill limestone (Pennsylvanian) northeastern OH
Frech, K.R.	1983	Aspects of diagenesis in the "Clinton" formation
Frlich, W.J.	1976	Geology of the southern half of Whitehall quadrangle of VA and WV
Fyodorova, A.I.	1998	Hydrogeochemical Study of Cave Systems in the Berea Sandstone and Sharon Sandstone/Conglomerate of Northeastern Ohio
Gardner, S.P.	1981	A seismic investigation of a buried valley near Cuyahoga Falls, OH

Garvey, J.T.	1988	The hydrogeology of eastern Franklin and western Green Twps., Summit Co., OH
Gaughan, M.	1985	The influence of local bedrock on the composition of pre-Woodfordian tills in Huron and Crawford Cos., OH
Gebregiorgis, M.	2000	Integrated geophysical survey of two peat bogs in Summit Co., OH
Gebrehiwet, T.A.	2002	Modeling of the crustal and upper mantle velocity structure beneath OH based on explosions from mines in OH and neighboring states
Geschke, M.J.	2002	The use of ostracodes as bioindicators of anthropogenic contaminants in wetlands in Lake Erie Basin, northeastern OH
Gilbert, D.M.	1982	Deltaic lithofacies of an upper Pennsylvanian coal bearing sequence: the Meigs Creek coal, the Upper Sewickley sandstone and shale, and the Benwood limestone in southeastern OH
Giuffria, R.	1977	The Vanport horizon in the Allegheny series (Pennsylvanian) in southern Stark and northern Tuscarawas Cos., OH
Gloeckler, E.F.	1986	Classification of concretions from the Morrison formation Natrona County, WY (Senior Honors Thesis)
Glover, P.L.	2000	Depositional environments and paleogeography of the Pennsylvanian Upper Amsden Formation and Teensleep Sandstone in the Seminoe Mountains, south-Central WY
Good, C.N.	1980	The environment of deposition of glacial Lake Willard inferred from fossil diatomacea
Gottlieb, O.J.	1989	The geology and geochemistry of the Hackberry Mountain gold prospect, San Bernardino Co., CA
Gray, J.D.	1979	Sedimentology of the Upper Sewickly sandstone (Pennsylvanian) in parts of Morgan, Noble, and Muskingum Cos., OH
Green, S.R.	1988	Computer-aided mapping and statistical analysis of the East Canton oilfield, Rose Twp., Carroll Co., northeastern OH
Greenway, T.	1999	Deformation of the Greenbrier Group, Appalachian Plateau-Valley and Ridge Province Transition Zone, Monroe County, WV
Gross, G.D.	1991	Electrical resistivity survey of a freshwater lens in the well field north of Cockburn Town, San Salvador, Bahamas
Guianen, A.	1999	Interaction of folds, Bighorn Basin, WY: Implications for fold evolution
Haefka, D.J.	1972	The structural geology of the East River Mountain-Wolf Creek Area, VA
Hajdarwish, A.	2001	Geophysical survey of four abandoned coal mines in Medina and Summit Cos., OH
Hale, J.R.	1995	Petrogenesis of Mesozoic mafic dikes from Hillsborough, Merrimack, and Rockingham Cos., NH
Hamilton, K.D.	1996	Petrography and diagenesis of the Whiskey Creek Pass limestone member, Upper Madera Formation, Sangre De Cristo Mountains, South-Central CO
Hansen, L.	1982	The evolution of metamorphic textures in former clastic sedimentary rocks from the Black Hills, SD
Harper, A.M.	2000	Groundwater geology, hydrologic properties and water quality of Pennsylvanian hydrostratigraphic units of Southwestern Stark Co., OH
Hartline, C.S.	1995	Deep structural analysis related to the Akron magnetic boundary using geophysical well logs and potential field data, east-central OH
Hebert, J.P.	1992	A lithofacies analysis of the northern portion of San Salvador Island, Bahamas
Heirendt, K.M.	1988	An analysis of <sup>222</sup> Rn soil gas concentrations in the Serpent Mound area, southwestern OH
Henning, R.J.	1976	The effect on the geologic environment by the Mentor municipal sanitary landfill
Henry, S.D.	1974	Distribution of density and selected trace elements in a flooded, bituminous coal mineshaft, Belmont Co., OH
Heppard, P.D.	1984	The Sundance-Morrison boundary in Natrona Co., WY
Hetherington, D.Q.	1996	Geothermobarometry of the Upper Four Members of the Spuhler Peak Formation in the Central Tobacco Root Mountains, Southwestern MT
Hite, T.L.	1995	Stratigraphy and mineralogy of tills from the Pine Grove waste disposal facility, Madison Twp., Fairfield Co., OH
Hodges, D.A.	1979	Reconnaissance boring in quaternary deposits of Lake Willard, Huron Co., OH
Hodgson, D. B.	2000	The extent of lead movement in glacial deposits from sport shooting activities
Hofer, J.W.	1992	Correlation and provenance of tills underlying Lake Erie

Houghton, L.K.	1973	Selected trace elements and thermal stratification of Lake Lynn, WV
Hummel, J.A.	1972	Stratigraphy of East River Mountain-Wolf Creek area, VA
Huth, C.G.	1992	The origin and relative age of kames in Stow and Hudson Twps., Summit Co., OH
Imhoff, J.T.	1994	Basement-involved deformation at Laprele Anticline, Converse Co., WY
Iqbal, M.Z.	1990	Groundwater resources of Chippewa Creek valley in Wayne and Medina Cos., OH
Jean, J.	1982	Environmental geology of Northampton Twp., Summit Co., OH
Jones, E.J.	1985	Paleogeography and depositional systems of the late pleistocene Redbird Delta, Lake Co., OH
Jost, D.	1994	Hydrogeology and pollution potential of aquifers, Doylestown, Wayne Co., OH
Julian, B.L.	2000	The nature of the Harlem coal ash
Kattenhorn, S.	1994	Outcrop-scale fault-related folds, Valley and Ridge Province, Appalachians: Comparison to kinematic model predictions
Katzmark, R.R.	1985	Elemental composition of tills in the Cuyahoga Valley National Recreational Area, northeastern OH
Keller, D.F.	1975	An interpretation of the stream patterns in Pike and Sandy Twps. in southern Stark Co., OH
Keller, J.D.	1971	The geologic setting of field sites, Summit Co., OH
Kelly, J.C.	1994	Deformation mechanisms adjacent to a thrust, Sangre de Cristo Range, Colorado
Kempthorne, R.A.	2000	Geochemical and lithological records of the Hypsithermal and Nipissing flood events from Lake Erie
Kendall, R.L.	1989	Dolomitization and textural analysis of the lower-middle Devonian carbonates of north-central OH at Sandusky Crushed Stone Parkertown Quarry, Erie Co., OH
Kesebir, N.M.	1986	Hydrogeology of Hinckley Twp., Medina Co., OH
Klingel, E.J.	1979	Mineral distributions and uranium rolls, north Walker and Sullivan mines, Shirley Basin, WY
Knecht, T.W.	1989	Salinity-controlled magnesium concentrations in <i>Quinqueloculina Bosciana</i> on San Salvador Island, Bahamas
Knox, J.H.	1972	Selected trace elements and fixed carbon content of sediment from Lake Lynn, WV
Knuth, M.C.	1987	Determination of the source of salt contamination in a private water well in Hudson, OH
Kovacs, M.S.	1997	Grain size and composition variation of ilmenite from garnet, staurolite, and sillimanite grade metapelites from the Black Hills, SD
Kowalkowski, R.	2002	Geochemistry of trivalent cations in groundwater at a tire monofill
Landin, W.	1976	Geology mineral resources of the northern part of the Whitehall quadrangle, VA
Lass, C.A.	1989	Mineability and sulfur distribution of the Harlem coal in southeast Carroll Co., OH
Layton, A.W.	1980	Geological study sites of the northern Cuyahoga Valley National Recreation Area
Lee, R.F.	1973	Uptake of selected metals by fish at West Branch and Nimisila reservoirs, OH
Lin, Y.	1995	Groundwater simulation near a shredded tire monofill site
Lindenbusch, B.	1994	Thermal history of early proterozoic metamorphic terrane in the Park Done area, Black Hills, SD
Lloyd, B.A.	1998	Stratigraphy of late Wisconsinan tills from the London Correctional Institute, Union Twp., Madison Co., OH
Lorson, R. C.	1977	Petrology of precambrian igneous and metamorphic rocks on western Casper Mountain, WY
Mangun, M.	1980	A seismic refraction study of a buried valley near Peninsula, OH
Manner, B.M.	1971	Selected trace elements and stratification of West Branch (OH) reservoir
Marsek, F.A.	1978	Petrology of metamorphosed ultramafic and related rocks on part of western Casper Mountain, WY
Martinez, R.D.	1988	Tectonic synthesis of the Hat Six area, east end of Casper Mountain, Natrona Co., WY
Massaro, D.A.	1975	An interpretation of the glacial outwash terraces of southeast Stark and northeast Tuscarawas Cos., OH
Matz, J.B.	1998	Determination of heavy-mineral assemblages of Pre-Wisconsinan tills in Northern OH by the use of sodium polytungstate and x-ray diffraction

Mazzeo, P.	2002	Coastal processes and environments along Lake Erie at Bill Stanton Community Park, Lake Co., OH (Senior Honors Project)
McCambridge, C.E.	1998	Holocene evolution of Lake Erie environments: Inferences from stable isotopes of cored sediments offshore Fairport Harbor, OH
McKirgan, B.S.	1971	Geology of the Mississippian system of the Oakvale area of WV
Miller, C.K.	2000	Petroleum reservoir potential of buried valley wall stress-release fractures
Misquitta, N.J.	1989	Enhanced <sup>222</sup> Rn levels over an abandoned underground coal mine
