

# Amber Wick

## Secretary

Amber is the Secretary for Collegiate Nurses Club for 2009-2010. She is currently a Junior and will graduate in 2011. She plans on graduating with a Bachelor's degree in the Science of Nursing, with minors in Psychology and Addiction Services. Amber can be reached at [aew23@uakron.edu](mailto:aew23@uakron.edu). In her spare time, Amber likes to listen to music, write, and scrapbook. Amber sings in University of Akron choirs to relieve the stress of school. Also, she is a camp counselor at a summer camp in Geneva, Ohio. Currently, Amber works as a Nursing Tech at Akron City Hospital.

Amber is a member of the Honors College, Habitat for Humanity, National Society of Collegiate Scholars, Honors Nursing Organization, and Women in Higher Education. On the weekends, she also volunteers at the Battered Women's Shelters of Summit and Medina Counties. She is also seeking to get involved with Project RISE in the Akron community.

In the future, Amber would like to work in Mental Health. First, she'd like to gain experience working a med-surg floor and then transfer to a mental health unit. Hopefully, she can go back to school and obtain a Master's degree and work in a Mental Institution. She has also given thought to going back to Hattie Larlham someday to be a nurse for the MR/DD population.

Amber has many ideas for the upcoming CNC year and can't wait to start!

Amber's advice for other nursing students is:

**“ You WILL get stressed out; find an activity that is your alone time to vent. Get involved and build the resume. Not only just for the resume, but also for experience. Experience is the greatest thing you can ever obtain. Also, make sure your instructor knows your name. If your name is known, they are more likely to give the one on one attention you may need.”**
