Intramural 5-on-5 basketball rules will govern play with the following modifications.

1. There will be a 3 game set. Best 2 out of 3 wins the match. The first team to 15 points winning by 2 wins, up to 18.
2. Each game will be 15 minutes in length. If the game is tied after the 15 minute time period the game will go to sudden death, with the first team to score winning the game.
3. Each game will be self officiated, with a court monitor there to settle any dispute that cannot be resolved between the two teams.
4. Any field goal made inside the 3-point arc will be worth 1 point. Any field goal made outside of the 3-point arc will be worth 2 points.
5. After each field goal or change of possession the team that has recovered possession of the ball must take the ball out past the 3-point arc. Both feet and the ball must be taken out past the 3-point line in order for the ball to be considered taken back. If a team fails to take the ball completely back behind the line the ball becomes dead at the first shot attempt and the non offending team gains control of the ball. Coming off of a dead ball, the ball must be checked in and passed in to be live.

6. Each team will be given one 30 second time out per game. Substitutions can be made at anytime during a dead ball.
7. After any foul the ball must be checked in at the top of the 3-point arc and passed in. At no time will free throws be awarded for any type of shooting foul. The ball will simply be awarded to the team that was fouled and taken out behind the 3-point line.
