

Kevin Patrick Kaut

Master Vita

September 5, 2005

Office: Department of Psychology
The University of Akron
Akron, Ohio 44325-4301
(330) 972-2196
FAX: (330) 972-5174

Home: 5253 Hemlock Drive
Ravenna, Ohio 44266
(330) 296-5844

Currant Rank: Assistant Professor

Date of First Appointment: August, 2002, The University of Akron

A. Education

M.S., Ph.D., Biomedical Science, Kent State University, 2000
M.A., School Psychology, The University of Akron, 1990
B.S., Psychology, The University of Akron, 1987

B. Professional Employment

Assistant Professor of Psychology, The University of Akron, 2002-present
Visiting Assistant Professor in Psychology, The University of Akron, 2000-2002
Adjunct Faculty in Psychology, The University of Akron, 1999
Adjunct Faculty in Psychology, Hiram College, 1999
Adjunct Faculty in Psychology, Kent State University, 1998
Research & Teaching Assistant, Kent State University, 1996-1999
School Psychologist, Mahoning County Office of Education, 1990-1996
Intern School Psychologist, Summit County Office of Education, 1989-1990
Research Assistant, The University of Akron, 1988-1989

C. Teaching and Related Activities

The University of Akron

3750:780 Seminar: Neuropsychological Disorders of Aging
3750:704 Psychopharmacology
3750:604 Biopsychology—Core IV
3750:480 Neuropsychiatric Disorders: Diagnosis & Treatment
3750:480 Special Topic: Health Psychology
3750:320 Biopsychology
3750:230 Lifespan Development
3750:220 Introduction to Experimental Psychology
1870:400 Natural Sciences Colloquium (University Honors College)

Kent State University

Animal Behavior Research Laboratory
Physiological Psychology
Psychology of Motivational Processes
Writing Intensive Instruction: Physiological Psychology; Motivational Processes

Hiram College

Introductory Psychology

Graduate Theses and Dissertations

Committee Member: 3 Theses, 5 Dissertations

Undergraduate Honors Theses

Academic Year 2004-2005:

Brookshire, David Public perception of the mental health professional's role in response to client decisions concerning rational suicide.

Academic Year 2003-2004:

Guerts, Dana Perspectives on genetic testing and decisions for pregnancy termination.

Hoffman, Jennifer Cognitive and affective issues related to decisions about rational suicide: A progressive vignette approach.

McKenzie, Christina Determining the role of movement planning on memory for items learned in enactment, imagined enactment, and verbal encoding conditions.

Shall, Roberta Testing a bio-psycho-social-spiritual model of decision-making at the end of life

Academic Years 2001-2003

Rorar, Tracee D. (2003). The role of motor enactment, imagined enactment, and verbal encoding on item and item-in-location memory.

Pacetti, Christine (2003). The effect of emotional intensity on recall and recognition memory.

Brand, Rick B. (2002). The influence of motor enactment and imagined enactment encoding conditions on object and spatial location memory.

D. Recent Publications

Refereed & Invited Publications

- Kaut, K. P., Werth, J. L. Sever, A., & Hasan, N. (2004). Suggestions for clergy ministering to dying persons and their loved ones: Conceptualizing death and developing a framework for life's final stage. In D. Herl and M. L. Berman (Eds.), *Building Bridges Over Troubled Waters: Enhancing Pastoral Care & Guidance*. Lima, OH: Wyndham Hall Press
- Kaut, K. P. (2005). End of life assessment within a biological, psychological, and spiritual framework. In J. L. Werth & D. Blevins (Eds.), *Attending to Psychosocial Issues Near the End of Life: A comprehensive Guidebook*. Washington, DC: APA Press.
- Allen, P. A., Kaut, K. P., Lord, R. G., Hall, R. J., Bowie, T., & Grabbe, J. W. (2005). An emotional mediation theory of differential age effects in episodic and semantic memory. *Experimental Aging Research*, 31, 355-391.
- Kaut, K. P., Bunsey, M. D. & Riccio, D. C. (2003). Long-term retention of simple olfactory information is spared following specific hippocampal lesions, but impaired following rhinal cortex lesions. *Behavioral Neuroscience*, 117, 304-319.
- Kaut, K. P., DePompei, R., Kerr, J., & Congeni, J. (2003). Reports of head injury and symptom knowledge among college athletes: Implications for assessment and educational intervention. *Clinical Journal of Sport Medicine*, 13, 213-221.
- Kaut, K. P. (2002). The neuropsychology of aging: Sensorineural correlates of behavioral change. In R.W. Flint, Jr. (Ed.). *Forget It: A Review of Learning and Memory Mechanisms*. Chelmsford, MA: Custom Books.
- Kaut, K. P. (2002). Religion, spirituality and existentialism near the end of life: Implications for assessment and application. *American Behavioral Scientist*, 46 (2), 220-234.
- Kaut, K. P. & Bunsey, M. D. (2001). The effects of lesions to the rat hippocampus or rhinal cortex on olfactory and spatial memory: Retrograde and anterograde findings. *Journal of Cognitive, Affective & Behavioral Neuroscience*, 1(3), 270-286.

Manuscripts Under Review (or being revised), 2004-2005

Kaut, K. P. (2005—*Provisional Acceptance*). The role of counseling psychology in the era of genetic testing. *The Counseling Psychologist*.

Kaut, K. P. & Bunsey, M. D. (2005). Impairment in spatial but not olfactory discrimination learning following neurotoxic and radiofrequency lesions of the hippocampus in rats. *Journal of Behavioral Neuroscience Research*.

Bush, A., Allen, P. A., Kaut, K. P., & Ogrocki, P. K. (2005). The influence of mild cognitive impairment on visual word recognition. *Aging, Neuropsychology, and Cognition*.

Manuscripts in Preparation, 2004-2005

Kaut, K. P. (2005). Patterns of delay dependent forgetting following damage to the hippocampal system.
In preparation for submission to the journal 'Neurobiology of Learning and Memory'

Kaut, K. P. (2005). A perspective on biopsychology instruction for counseling psychologists: the relevance of reductionism in applied contexts.
In preparation for submission to the journal 'Counselor Education and Supervision'

E. Grant Activity

2005 CEMRRAT Grant for Minority Student Research. Submitted to APA Division of Minority Affairs. Requested Amount: \$5000.00

F. Honors and Awards

2005 Arts & Sciences Chair Award for Teaching, The University of Akron

1999 Dissertation Writing Award, Kent State University

1998 Outstanding Teaching Award, Kent State University

G. Presentations

Kaut, K. P. (2002, March). *Alzheimer's disease and cognitive mechanisms associated with falls*. Presentation given at the Ohio Association of Gerontology and Aging Experts (OAGE), Columbus, Ohio.

Blevins, D., Kaut, K. P., Kopera-Frye, K. & Werth, J. (2001). *Adaptive cognitive functioning at the end of life*. Poster presented at the 109th Annual American Psychological Association Convention, San Francisco, CA.

- Hanson, G., Bunsey, M. & Kaut, K. (1999). *Comparison of retrograde amnesia following lesions of the fornix and perirhinal-entorhinal cortex*. Poster presented at the Midwestern Psychological Association Convention, Chicago, IL.
- Novak, C. & Kaut, K. (1999). *The hippocampus, subiculum, and combined lesion effects on non-relational and relational processing tasks*. Poster presented at the Society for Neuroscience Convention, New Orleans, LA.
- Harrod, S., Kaut, K., Riccio, D. & Bunsey, M. (1998). *Different roles of hippocampus and hippocampal cortex in tests of one-trial aversive learning*. Poster presented at the Society for Neuroscience Convention, Miami, FL.
- Flint, R. W., Kaut, K. & Bunsey, M. (1997). *The hippocampus and perirhinal-entorhinal cortices in simple olfactory task retention*. Poster presented at the Society for Neuroscience Convention, New Orleans, LA.
- Kaut, K. Bunsey, M. & Belviso, A. (1997). *The role of the hippocampal system in memory consolidation: Evidence from temporally-graded retrograde amnesia*. Poster presented at the Society for Neuroscience Convention, New Orleans, LA.
- Kaut, K. & Bunsey, M. (1996). *The role of the hippocampal system in the acquisition and retention of simple olfactory information*. Poster presented at the Midwestern Psychological Association Convention, Chicago, IL.
- Stuesse, S., Stuesse, D., Kaut, K. & Cruce, W.L.R. (1994). *Raphe nuclei in the brains of Three cartilaginous fishes*. Poster presented at the Society for Neuroscience Convention, Washington, D.C.

H. Professional Activities

Professional Organizations

American Psychological Society (APS), Member
American Psychological Association (APA)
Society for Neuroscience (SFN)

Journal Reviews

Reviewer: *Brain Research*, 2003
Reviewer: *British Journal of Sports Medicine*, 2003
Reviewer: *Death Studies*, 2005
Reviewer: *The Counseling Psychologist*, 2006
Reviewer: *McGraw-Hill*, 2006

University & Departmental Committees

Undergraduate Task Force, 2002-2003
Undergraduate Assessment Committee, 2004-2005

Co-advisor, Psychology Club, 2002-2003
Library Committee, 2002-2003, 2003-2004, 2004-2005
Graduate Faculty Status Committee, 2003-2004
University Honors Advisor (Psychology), 2002-2003, 2003-2004, 2004-2005
Buchtel College Council, 2005-2006
Honors College Council, 2006
Institute for Teaching and Learning, Pedagogy Committee, 2005-2006
