Dear Mr. Johnson:

The CUE Contract for Tires, Tubes and Related Services will expire on 12/31/08. As you may recall, the original specifications allowed for a contract renewal of two years, one year at a time. I discussed this renewal with the CUE Steering Committee and they would like to renew the contract if Akron Truck Tire agrees. Therefore, if you wish to renew the CUE Contract for Tires, Tubes and Related Services, as originally awarded, for the period of 01/01/09-12/31/09 just indicate so below by signing in the signature line and returning this letter to me at your earliest convenience.

Please call me if you have any questions or if you need any information concerning this request.

Sincerely,

Andy
